Re: Our Home Remodel

Tom,

I wanted to write and thank you for the excellent job that you did for us on the extensive remodel of our home.

As you know, this remodel involved a complete renovation of our 4,500 square foot home, including four bathrooms, kitchen and the addition of two bedrooms and a media room with bar.

My wife and I are delighted with your performance on this project and especially appreciate your innovative ideas and your ability to truly listen to us and understand what we wanted – then, most of all, you delivered as promised.

Thanks again!

Sincerely,
