Re: Tom Carreiro, Carreiro Builders

TO WHOM IT MAY CONCERN,

I recently had the pleasure of hiring Carreiro Builders for a large commercial project at Marconi Conference Center. The project is Marconi's new reception and administration building. The high-end, custom designed addition includes a new reception desk, reception offices, administration offices, housekeeping offices, and a large guest lounge/museum with public restrooms.

Throughout the entire project, Carreiro Builders conducted themselves as a superior construction company dedicated to providing quality workmanship at a reasonable price. Owner Tom Carreiro proved himself to be a dependable, conscientious, and dedicated individual whose kind and sincere mannerisms made the project a joy to be a part of. Tom was prompt and accurate with his bidding, thorough and organized in his execution of the work, and punctual as he completed the project on time and on budget. The professionalism displayed by Carreiro Builders is unmatched by any other contractor that I have experienced in my twenty-eight year as an architect.

I feel very confident in recommending Carreiro Builders and Tom Carreiro to any individual or company looking to hire a contractor. They took on a difficult project with enthusiasm and succeeded with grace. As a result, my Client, Marconi Conference Center, is very happy.

Sincerely,

Stephen B. Murch, Architect
