Subject: Letter of recommendation for Carreiro Builders

To whom it may concern,

Tom Carreiro (Carreiro Builders) has been the general contractor for construction of my custom home in Santa Rosa, California. It has been a sincere pleasure to work with him throughout the project, and I highly recommend his firm to anyone in need of a top-notch contractor.

Choosing your contractor is one of the most important decisions you will make as you embark on building your new home. Building a house is a process full of surprises and challenges, and requires a contractor that acts in your best interest throughout. I found that in Tom. He was more than our builder; he was our partner.

Tom and his crew displayed all the characteristics that we valued. He was organized, careful, thorough, and persistent. His commitment to me was that I would be pleased with the results, and he certainly came through. It is clear that Tom was dedicated to the success of our home building project.
